

EASTERN

TABLETOP

Starting in 1950, **Eastern** has been dedicated to designing and manufacturing silver items for the gift and food service industry. Over the years, the expansion of both the gift and buffet line led to the launching of **Eastern Tabletop's Foodservice Division**. With a sole focus on tableware, holloware and buffet items combined with years of experience in silver art the **Eastern** name has succeeded in being recognized as a company of Quality, Design, and Trust. We are proud to stay behind our products that make their mark in the tableware industry with innovation, fine quality, personal service, and exceptional value.

EcoServe Cool Pack

By Eastern Tabletop

Simply freeze the Cool Pack in the freezer overnight and place on top of an EcoServe GN unit to allow you to serve chilled foods as part of the buffet. Having this flexibility to easily change the use of your EcoServe is ideal for adjusting the menu according to your needs without having to change your equipment entirely. This GN Cool Pack comes in two pieces combined to fit and securely dock onto an EcoServe GN.

- Easily switch to COLD SERVICE
- Ideal for salads, seafood, fruit & desserts
- Use instead of an EcoBurner on the EcoServe GN for cold buffet.

| MFG # | Description | Unit |
|---------|---|-------|
| EB15322 | Rectangular Cool Pack • 21" L x 12.9" W x 1.3" H | 1 ea. |
| EB15305 | Round Cool Pack • 10.6" Dia. x 1.6" H | 1 ea. |

Raw Bar

By Eastern Tabletop

Upgrade your buffet presentation by replacing your plastic model with an elegant display setting. Ideal for high-end catered events featuring lobster, oysters and sushi on your menu. It is manufactured in an extra heavy gauge 18/10 stainless steel featuring outer wave design and equipped with a drain hole and hose. Includes acrylic insert container with perforated holes for water drainage. In addition to its raw bar usage, the sturdy built bar has many functions and could be utilized on breakfast buffets housing cold beverages and yogurts. Eastern can custom built to fit your specifications.
