

# ICE MACHINE RENTALS

## ICE MACHINES FOR EVERY OPERATION

TriMark United East offers a wide range of ice machines for rental, tailored specifically for the foodservice industry. Our hassle-free rental programs include maintenance and support, helping businesses avoid large upfront costs and unexpected repairs. With flexible terms and access to the latest equipment, TriMark ensures reliable performance and peace of mind.

## HASSLE FREE RENTAL. WE MAKE IT EASY

### SIMPLE PROCESS

- Straight forward rental contract
- Quick turnaround equipment installation
- Automatic monthly payments

### COST-EFFECTIVE

- Lower upfront costs for renting vs. buying
- Installation included
- No service or maintenance costs for the duration of the rental contract

### FLEXIBLE

- Standard 36-month rental agreement, month to month rental thereafter
- Freedom to upsize or downsize equipment as necessary, once the 36-month rental contract is fulfilled

### WORRY FREE SERVICE AND MAINTENANCE

- Preventative maintenance services with water filter changes every 6 months are included with a standard rental contract
- Additional preventative maintenance services with water filter changes can be added for an additional charge
- 24/7 phone support for service
